43	TO CONSIDER AND DETERMINE PLANNING APPLICATIONS	1 - 6

6<sup>th</sup> August 2014 Planning Committee – Additional Representations

Page	Site Address	Application No.	Comment
17	27-33 Ditchling Road, Brighton	BH2014/01431	<p>Additional comments have been received from <b>Environmental Health:</b></p> <p>Additional information has been submitted which sets out that sound insulation measures and ventilation measures will be required. Further details of plant and machinery and extraction for the basement kitchen are required. A Construction Environment Management Plan (CEMP) is required to protect neighbouring amenity. Land contamination condition is recommended. Details of management of the outdoor spaces and student accommodation should be secured.</p> <p><b>Officer response:</b> Amendments and additions to the recommended conditions are as detailed below. Management of the building and a CEMP is recommended to be secured as part of a s106 legal agreement.</p> <p>Condition 16 is replaced by the following two conditions:</p> <p>No development shall take place until a written scheme has been submitted to and approved in writing by the Local Planning Authority detailing the glazing requirements to be installed to facades at Ditchling Road, Oxford Place and Oxford Road at all storeys to meet the sound reduction losses as identified in the 7<sup>th</sup> Wave Acoustics report dated 8<sup>th</sup> July 2014 reference R001.1037.001.NGA.2.0. The measures shall be implemented in strict accordance with the approved details prior to the occupation of the development and shall thereafter be retained as such.</p> <p><b>Reason:</b> To safeguard the amenities of future occupiers and to comply with policies SU10 and QD27 of the Brighton &amp; Hove Local Plan.</p> <p>No development shall take place until a written scheme has been submitted to and approved in writing by the Local Planning Authority detailing how and where ventilation will be provided to the various storeys and facades including specifics of where the clean air is drawn from and that sufficient acoustic protection is built into the system to protect end users of the development. The measures shall be implemented in strict accordance with the approved details prior to the occupation of</p>

the development and shall thereafter be retained as such.

**Reason:** To safeguard the amenities of future occupiers and to comply with policies SU10 and QD27 of the Brighton & Hove Local Plan.

Additional conditions are recommended as follows:

No development shall take place until a scheme for the suitable treatment of all plant and machinery against the transmission of sound and/or vibration has been submitted to and approved in writing by the Local Planning Authority. The measures shall be implemented in strict accordance with the approved details prior to the occupation of the development and shall thereafter be retained as such.

**Reason:** To safeguard the amenities of the occupiers of adjoining properties and to comply with policies SU10 and QD27 of the Brighton & Hove Local Plan.

Noise associated with plant and machinery incorporated within the development shall be controlled such that the Rating Level, measured or calculated at 1-metre from the façade of the nearest existing noise sensitive premises, shall not exceed a level 10dB below the existing LA90 background noise level. Rating Level and existing background noise levels to be determined as per the guidance provided in BS 4142:1997. In addition, there should be no significant low frequency tones present.

**Reason:** To safeguard the amenities of the occupiers of adjoining properties and to comply with policies SU10 and QD27 of the Brighton & Hove Local Plan.

No development shall take place until until a scheme for the fitting of odour control equipment to the building has been submitted to and approved in writing by the Local Planning Authority. The measures shall be implemented in strict accordance with the approved details prior to the occupation of the development and shall thereafter be retained as such.

**Reason:** To safeguard the amenities of the occupiers of adjoining properties and to comply with policies SU10 and QD27 of the Brighton & Hove Local Plan.

No development shall take place until until a scheme for the sound insulation of the odour control equipment referred to in the condition set out above has been submitted to and approved in writing by the Local Planning Authority. The measures shall be implemented in strict accordance with the approved details prior to the

occupation of the development and shall thereafter be retained as such  
**Reason:** To safeguard the amenities of the occupiers of adjoining properties and to comply with policies SU10 and QD27 of the Brighton & Hove Local Plan.

**Environmental Health:** No objection.

**Condition 2:** List of approved drawings is set out below.
