Commentary on licensing policy

4.1 The following extracts from Brighton & Hove Licensing Policy are considered relevant to this application and numbered as they appear in the policy:

General

1.2 The licensing objectives are:-

- (a) Prevention of crime and disorder;
- (b) Public safety;
- (c) Prevention of public nuisance;
- (d) Protection of children from harm.

1.3 Licensing is about regulating licensable activities on licensed premises, by qualifying clubs and at temporary events. Any conditions attached to various authorisations will be focussed on matters which are in the control of individual licensees and others with relevant authorisations, i.e. the premises and its vicinity.

1.5 Each application will be given individual consideration on its merit. Nothing in this policy shall undermine the right of any individual to apply under the terms of the Act for a variety of permissions and to have any such application considered on its individual merits. Similarly, nothing in this policy shall override the right of any person to make representations on an application or seek a review of a licence or certificate where provision has been made for them to do so in the Act

- 1.15 Licensing law is not the primary mechanism for the general control of nuisance and anti-social behaviour by individuals once they are away from the licensed premises and, therefore, beyond the direct control of the individual, club or business holding the licence, certificate or authorisation concerned. Licensing is about the control of licensed premises, qualifying clubs and temporary events within the terms of the Act, and the conditions attached to licences, certificates and permissions will be focused on matters which are within the control of the licensee and will centre on the premises themselves and their immediate vicinity. When considering these terms and conditions the licensing authority will primarily focus on the direct impact of the activities taking place at the licensed premises on members of the public living, working or engaged in normal activity in the area concerned.

In respect of the prevention of crime and disorder

- 2.2 The licensing authority acknowledges that training and good management play a key part in preventing alcohol and drug related crime. The authority recommends that all licensees of on-licensed premises attend training programmes which will raise their awareness of the issues relating to drugs and violence in licensed premises, and that suitable training be extended to all bar staff and door staff so that drug dealers and users will be deterred from using licensed premises for illegal purposes and that incidents of violence in licensed premises will be reduced. Licensees are also encouraged to attend training programmes to help identify children at risk and issues of basic child protection.
- 2.3 It is expected that the designated premises supervisor (DPS) will spend a significant amount of time on the premises. When not on the premises it will be essential that the DPS is contactable, particularly should problems arise with the premises.

2.5.1 Diversity of premises

This attempts to ensure that there is a mix of the different types of licensed premises, particularly in areas where there is a high density of such premises. It will provide resilience against changing trends and attract a more diverse range of customers from different age groups, different communities of interest and with different attitudes to alcohol consumption. It gives potential for positively changing the ambience of the city or an area of it. This in turn may have a positive effect in reducing people's fear of crime and in increasing the number of evening visitors to the city centre. The Community Safety Strategy recognises that too many single uses in a confined area and patrons turning out onto the streets at the same time, may create opportunities for

violent crime and public disorder and therefore encourages mixed use venues, varying hours of business and a wider age balance.

2.5.5 Care, control and supervision of premises

The effective management and supervision of a venue is a key factor in reducing crime and disorder, both within it and outside. The Police will consider the applicants, objecting to the application where appropriate. The Police will suggest crime prevention measures in relation to, for example, the internal layout of the premises, close circuit television, help points, lighting and security staff. The Police may ask for conditions which support such measures to be imposed when planning or licensing applications are granted, e.g. type of licence, capacity, opening time restrictions.

2.6 Shops, stores and supermarkets which provide alcohol for consumption off the premises: the normal scenario will be to provide for sales of alcohol at any time when the retail outlet is open for shopping unless there are very good reasons for restricting those hours.

2.8 Enforcement issues will be considered in the light of any relevant enforcement policies and close links will be sought between all enforcing authorities, e.g. through the use of intelligence sharing and strategy groups. Such protocols may lead to the targeting of agreed high risk and problem premises whilst permitting a lighter touch approach in respect of well run premises.

Strategic Integration

6.5 Specific conditions may be attached to premises licences to reflect local crime prevention strategies. Such conditions may include the use of closed circuit television cameras, the provision and use of shatterproof drinking receptacles, drugs and weapons search policy, the use of registered door supervisors, specialised lighting requirements, hours of opening.

6.7 This policy avoids duplication with other regulatory regimes wherever possible.

5. FINANCIAL & OTHER IMPLICATIONS:

5.1 Financial Implications:

The Licensing Act 2003 provides for fees to be payable to the licensing authority in respect of the discharge of their functions. The fee levels

are set centrally at a level to allow licensing authorities to fully recover the costs of administration, inspection and enforcement of the regime.

Finance Officer Consulted: Karen Brookshaw

Date: 07.05.2009

5.2 Legal Implications:

The licensing authority must act to promote the four licensing objectives which are:

- The prevention of crime and disorder
- Public safety
- The prevention of public nuisance
- The protection of children from harm

The licensing authority must have regard to its statement of licensing policy and the guidance issued by the Secretary of State in carrying out its functions.

Lawyer Consulted: Rebecca Sidell

5.3 Equalities Implications:

Diversity is valued and strong, safe communities are vital to future prosperity. Licensing policy aims to protect children from harm including sale and supply of alcohol to children.

5.4 Sustainability Implications:

Licensing policy aims to prevent public nuisance and develop culture of live music, dancing and theatre.

5.5 Crime & Disorder Implications:

Licensing policy aims to prevent crime and disorder and protect public safety.

5.6 Risk and Opportunity Management Implications:

Licensing is a crucial business and employment opportunity and unnecessary regulation might lead to legal challenge.

5.7 Corporate / Citywide Implications:

The success of the city's tourism strategy requires a safe, attractive city centre to improve competitiveness. The Act may significantly change night time economy.
