

NOTICE OF MOTION**EU CITIZENS AND LOCAL ELECTIONS****CONSERVATIVE GROUP AMENDMENT**

That the motion be amended to delete the words as struck through and insert those shown in ***bold italic***.

This Council notes the excellent work done by the Electoral Services Department to inform all the city's households of the right of residents to vote.

This Council requests that the Electoral Registration Officer, in addition to the current practice of general household notification, works with the Council's Communication Team to run a campaign informing ***all residents of the city;*** including potentially underrepresented communities, ~~e.g. including non-UK EU citizens,~~ ***young and black, Asian and minority ethnic residents,*** of their right to both vote and stand in the local election to be held on 2nd May this year.

Proposed by: Councillor Miller

Seconded by: Councillor Wealls

Recommendation if carried to read:

This Council notes the excellent work done by the Electoral Services Department to inform all the city's households of the right of residents to vote.

This Council requests that the Electoral Registration Officer, in addition to the current practice of general household notification, works with the Council's Communication Team to run a campaign informing all residents of the city; including potentially underrepresented communities, e.g. non-UK EU, young and black, Asian and minority ethnic residents of their right to both vote and stand in the local election to be held on 2nd May this year.
