OVERVIEW & SCRUTINY COMMISSION

58. SCRUTINY OF DIRECTORATE BUDGET STRATEGIES

- 58.1 The Chairman welcomed Cabinet Members Councillors Young and Fallon-Khan to the meeting. Councillor Young introduced this item, stating that scrutiny comments would be considered carefully, however Departments had little flexibility in achieving a balanced budget.
- 58.2 Councillor Fallon-Khan outlined the service pressures for the Finance and Resources Directorate. Reduced income such as from business rents and commercial rates was largely due to the effects of the recession.
- 58.3 Responding to questions the Director, Finance and Resources told the meeting that it would take time and money to deliver significant savings. More effective procurement, rationalised office accommodation and better use of ICT were being considered. A consultancy would be looking to achieve significant future savings under Value for Money (Phase 2) and initiate project management across the Council. This would be progressed by an in-house implementation team.
- 58.4 Replying to queries she explained the resources available to cover risks as set out in Table 4 of the report, pointing out that £1 million is proposed to be set aside for Looked After Children. Additional proposals for CYPT savings will be presented at the 5 January CYPOSC budget meeting.
- 58.5 The Director explained the Equalities Impact Assessment process that had been used for the budget proposals. Information on this could be presented before the final budget report to Council is produced.
- 58.6 Using an external firm to review single person Council Tax discounts was debated at length and questions on the approach to the process were answered in detail. The report on Council Tax Collection Policy appeared as Item 60 later on this agenda.
- 58.7 Asked about the anticipated borrowing for operational vehicles the Director said that this would allow for savings and reduction in the carbon footprint via a more central procurement policy. The Director was asked that this be reported to the Sustainability Partnership.
- 58.8 Information as requested on payments made to consultancies would be made available.
- 58.9 The Commission asked for more information on budget pressures from staff sickness and absence.
- 58.10 Councillor Fallon-Khan highlighted the budget proposals for Strategy and Governance Department. He expressed his congratulations to the officers including the legal team who were embracing new ways of working and working hard to achieve the best Value for Money within a tight budget at a time when income was falling.
- 59.11 The Director, Strategy and Governance answered questions on Members Allowances (inflationary increase being proposed) and the deletion of two Assistant Director posts in the Department to give flatter management structures (Head of Policy and Head of

Improvement & Organisational Development). A reduction of one post in the media team was proposed.

- 58.12 He said Performance would be reshaped, and Information and Analysis and Policy brought together.
- 58.13 Savings were planned by amalgamating some software licences and other supplies and services.
- 58.14 There was concern about the proposed move of the Brighton History Centre. Councillor Randall as Chair of Culture Tourism and Enterprise O&S Committee was asked to follow this up.

58.15 **RESOLVED**
