### Notice of Motion

#### Brighton & Hove Independents

This Council:

1. Notes its commitment to equalities and eliminating discrimination
2. Notes that not all residents are able or willing to use an app or pay by credit card over the phone to pay for parking in the city
3. Notes the paucity of PayPoint outlets in the city – and that many are more than 5 minutes walk from parking areas
4. Remembers previous requests from residents for a paper-based system

Therefore, Council resolves to:

5. Request an officer report setting out how a paper parking voucher scheme can be rolled out across the city with vouchers available to purchase online and from shops and BHCC's offices.
