## 1. PURPOSE OF REPORT AND POLICY CONTEXT

1.1 To review a Premises Licence for Paris House under the Licensing Act 2003.

## 2. RECOMMENDATIONS:

2.1 That the Panel review the licence granted to the premises known as Paris House under the Licensing Act 2003.

## 3. CONTEXT/ BACKGROUND INFORMATION & CONSULTATION

3.1 Existing licence attached at Appendix A.

3.2 Brighton & Hove City Council is both the relevant licensing authority and a responsible authority in respect of any premises and may in its capacity apply under Section 51 of the Licensing Act 2003 for a review of any premises licence in respect of the premises.

3.3 An application was received by the Licensing Authority on 8<sup>th</sup> February 2024 from Local Residents, to review the licence granted to the premises known as Paris House, 21 Western Road, Hove, BN3 1AE

3.4 The grounds for the review relates to the following Licensing objectives

- The Prevention of Public Nuisance
- The Prevention of Crime and Disorder

Full details of the grounds for the review are in Appendix B and a copy of the supporting evidence is uploaded separately or is available on request.

3.5 At this hearing the licensing authority must:

- Consider the application made in accordance with Section 51
- Consider any relevant representations
- Take such steps (if any) as are considered appropriate for the promotion of the Licensing objectives. These steps are
  - to modify the conditions of the licence
  - to exclude a licensable activity
  - to remove the designated premises supervisor from the licence
  - to suspend the licence for a period not exceeding 3 months, or
  - to revoke the licence.

And for this purpose, the conditions of a premises licence are modified if any of them are altered, omitted or any new condition is added. It may provide that the modification or exclusion have effect for a specified period not exceeding 3 months. The determination, if not completed at the hearing, shall be within 5 working days of the hearing. Such determinations do not have effect until after the appeal period or, if an appeal is lodged, until after the appeal is disposed of.

### **Representations received**

3.6 Details of the representations made are notified to applicants on receipt by the Licensing Authority using a pro-forma. A summary appears below:

3.7 Two representations were received from the Licensing Authority & Environmental Protection Team outlining their history with the premises. Nine representations were received in support of the review, one representation was neutral and 130 representations were received opposing the review. Representations had regard to the Prevention of Crime & Disorder and Prevention of Public Nuisance Licensing objectives.

3.8 A large number of emails were received with the same wording as a result of a QR code. These emails were listed as names & email addresses in a table to form a petition in support of the premises, there were 1646 emails in total.

3.9 Full details of the representations are attached at Appendix C:-  
C1 Representations from Responsible Authorities  
C2 Representations in Support of the Review  
C3 Neutral representation  
C4 Representations opposing the Review

3.10 A map detailing the location of the premises is attached at Appendix D.

## **4 COMMENTARY ON THE LICENSING POLICY**

4.8 The following extracts from Brighton & Hove City Council Statement of Licensing Policy are considered relevant to this application and **are numbered as they appear in the policy**:

### **3. Introduction**

#### **1.1**

This Statement of Licensing Policy has been prepared in accordance with the provisions of the Licensing Act 2003 (the Act) and having regard to Guidance issued by the Home Office under Section 182 of the act. This policy takes effect from 4 February 2021. The licensing authority is Brighton & Hove City Council. The purpose of this statement is to promote the licensing objectives and set out a general approach to making licensing decisions. The discretion of the licensing authority in relation to applications under the act is only engaged if 'relevant representations' are made by other persons or responsible authorities. This policy will inform the approach to be taken when deciding applications and imposing conditions when relevant representations are received. It is also intended as a guide for applicants as to what to include in their operating schedules, always recognising that if no representations are received, the application must be granted. The licensing authority must carry out its functions with a view to promoting the licensing objectives and this policy is framed around those objectives. Each application will be given individual consideration on its merit. The scope of this policy covers the following:

- Retail sales of alcohol;
- The supply of alcohol by or on behalf of a club, or to the order of, a member of the club; The provision of regulated entertainment;
- The provision of late night refreshment.

#### **1.2 The licensing objectives are:-**

- (a) Prevention of crime and disorder;
- (b) Public safety;
- (c) Prevention of public nuisance;
- (d) Protection of children from harm.

#### **1.3 Scope**

**1.3.1** Licensing is about regulating licensable activities on licensed premises, by qualifying clubs and at temporary events. Any conditions attached to various authorisations will be focused on matters which are within the control of individual licensees and others with relevant authorisations; i.e. the premises and its vicinity. Each application will be given individual consideration on its merit. Nothing in this policy shall undermine the right of any individual to apply under the terms of the act for a variety of permissions and to have any such application considered on its individual merits. Similarly, nothing in this policy shall override the right of any person to make representations on an application or seek a review of a licence or certificate where provision has been made for them to do so in the act.

### **3.3 The Matrix Approach**

The Licensing Authority will support:

**3.3.1 Diversity of premises:** ensures that there is a mix of the different types of licensed premises and attracts a more diverse range of customers from different age groups, different communities and with different attitudes to alcohol consumption. It gives potential for positively changing the ambience of the city or an area of it. This will have a positive effect in reducing people’s fear of crime and in increasing the number of evening visitors to the city centre. The Community Safety Strategy recognises that too many single uses in a confined area and patrons turning out onto the streets at the same time may create opportunities for violent crime and public disorder and therefore supports mixed use venues encouraging a wider age balance.

**3.3.2** A “matrix” approach to licensing decisions has been adopted and is set out below. It provides a framework of what the licensing authority would like to see within its area and gives an indication of the likelihood of success or otherwise to investor and businesses making applications.

Matrix approach for licensing decisions in a Statement of Licensing Policy (times relates to licensable activities)

**Matrix approach for licensing decisions in a Statement of Licensing Policy**

	<b>Cumulative Impact Area</b>	<b>Special Stress Area</b>	<b>Other Areas</b>
<b>Restaurant</b>	Yes (midnight)	Yes (midnight)	Yes (midnight)
<b>Café</b>	Yes (10 pm)	Yes (10 pm)	Yes (10 pm)
<b>Late Night Takeaways</b>	No	Yes (midnight)	Yes (midnight)
<b>Night Club</b>	No	No	No
<b>Pub</b>	No	Yes (11pm)	Yes (midnight)
<b>Non-alcohol lead (e.g. Theatre)</b>	Yes (favourable)	Yes (favourable)	Yes (favourable)
<b>Off-licence</b>	No	No	Yes (Up to 11pm but if in densely residential area may be earlier – see note 7 below)
<b>Members Club (club premises certificate)</b>	Yes (<100 capacity) (11pm)	Yes (<100 capacity) (11pm)	Yes

**Notes on matrix**

Subject to the following notes, the policy, as represented in the matrix, will be strictly adhered to:

1. Each application will be considered on individual merit
2. Applications within the CIZ are subject to the special policy on cumulative impact at para 3.1, and those within the special stress area to the special stress policy considerations at para 3.2.
3. Departure from the matrix policy is expected only in exceptional circumstances
4. Exceptional circumstances will not include quality of management or size of venue except where explicitly stated in policy matrix.
5. Exceptional circumstances may include: consultation with and meeting requirements of responsible authorities, an appropriate corporate social responsibility policy, community contribution to offset impact (such as financial contribution to infrastructure), community support, alcohol sale ancillary to business activity (demonstrable to responsible authorities and licensing authority, for instance by licence condition allowing authorised officers access to sales accounts).
6. The following licensing activities are encouraged and valued by the licensing authority: outdoor regulated entertainment, community based street parties, members clubs, traditional pubs outside the city centre and non-alcohol led licensable activities, particularly within city centre.
7. Other Areas; consideration will be given to the nature of the area and location in relation to any application. In a residential area for example the concerns of local residents will be relevant when considering applications for off-licences, pubs or cafes, especially if there is evidence of anti-social behaviour, street drinking or underage drinking. Earlier closing times may be appropriate. Regard will be had to the Public Health Framework for assessing alcohol licensing on our website [www.brighton-hove.gov.uk/licensingact](http://www.brighton-hove.gov.uk/licensingact).
8. In an area where there are already several existing off-licences or where the premises is situated within a parade with another off licence and where representations are received about negative cumulative impact on the licensing objectives of a further premises, the application may be refused on these grounds or restrictions placed on the terminal hour to reflect opening hours of other shops.
9. Outdoor events will be supported where arranged through the council's event planning process. Generally, regulated entertainment in the open air including tents and marquees should have a maximum closure hour of 2300. Earlier hours may be imposed in sensitive open spaces or near residential areas. The licensing authority will have regard to Noise Council guidance.
10. Non-alcohol led category does not include "alcohol in shared workplaces". It is recommended that sale of alcohol in shared workspaces should have a terminal hour of no later than 10pm. For further advice and guidance on "alcohol in shared workplaces" please see paragraph 3.3.4-3.3.6.

## **4 Prevention of Crime and Disorder**

The following details and measures are intended to address the need for the prevention of crime and disorder which may be associated with licensed premises and certificated club premises. Conditions attached to licences and certificates will, as far as possible, reflect local crime reduction strategies.

**4.1.1** The licensing authority acknowledges that training and good management play a key part in preventing alcohol and drug related crime. The authority expects that all licensees of on-licensed premises attend training programmes which will raise their

awareness of the issues relating to drugs and violence in licensed premises, and that suitable training be extended to all bar staff and door supervisors so that drug dealers and users will be deterred from using licensed premises for illegal purposes and that incidents of violence in licensed premises will be reduced. Licensees are also encouraged to attend training programmes to help identify children at risk and issues of basic child protection. It is the duty of the designated premises supervisor (DPS) to train staff on induction concerning conditions on their premises licence.

**4.1.2** It is expected that the DPS will spend a significant amount of time on the premises. When not on the premises it will be essential that the DPS is contactable, particularly should problems arise with the premises and that staff are authorised by the DPS.

**4.1.3** The location of violent attacks, anti-social behaviour and hate crime or related incidents may be used to justify closing times.

**4.1.4** Measures put in place should support the intentions of Operation Marble (police operational order), which aims to prevent incidents of crime and disorder within the night time economy, at weekends. Operation Marble operates with a view to minimising the risk to the public of being a victim of public place violent crime; to reduce incidents of violent crime and public disorder within the city centre; to deal positively with offences and offenders; to secure and preserve evidence which will assist in the prosecution of offenders and to support the night time economy and the responsibly run businesses within it.

### **4.3 Care, control and supervision of premises**

**4.3.1** The Licensing authority supports the Business Crime Reduction Partnership and other approved schemes. Where appropriate, premises licence holders should be members of the BCRP for the deterrence to violent crime that such membership provides. The BCRP NightSafe radio scheme is normally expected as an operational requirement for city centre bars, clubs and pubs and is an example of good practice in achieving the aim of reducing crime and disorder and improving public safety. Well managed pub-watch schemes provide information exchange between the premises licence holders and responsible authorities that reduce and deter violent crime and disorder. The council will support a responsible licensing scheme.

**4.3.2** The effective management and supervision of a venue is a key factor in reducing crime and disorder, both within it and outside. The police will consider the applicants, objecting to the application where appropriate. The police may suggest crime prevention measures in relation to, for example, the internal layout of the premises, closed-circuit television, help points, lighting and security staff. The police may ask for conditions which support such measures to be imposed when licensing applications are granted, e.g. type of licence, capacity, operating hours restrictions.

**4.3.3** Following the grant of a licence, the management and supervision of the premises, in so far as it might impact on crime and disorder, will continue to be monitored. Particular attention will be paid to any licensed premises where there is evidence of criminal activity or any association with racist or homophobic crime. The licensing authority will keep itself well briefed on the nature, location and type of premises where alcohol related violence and disorder are occurring so it can take full account of the facts and avoid exacerbating problems as required by the Community

Safety Strategy. Where licensed premises are found to cause nuisance or be associated with disorder or unreasonable disturbance, the review process may be invoked, and powers of revocation or the imposition of conditions may be considered. Conditions may include use of closed-circuit television, licensed door supervisors and earlier closing times. Such action to restrict the operation may be taken for trial periods to allow businesses an opportunity to remedy existing disorder, nuisance or disturbance.

**4.3.4** This policy recognises the use of registered Door Supervisors All Door Supervisors will be licensed by the Security Industry Authority. Mobile security units and similar systems are in use by some premises operators as a means of providing security cover at very short notice at premises which may not normally require a permanent security presence. This policy endorses the use of units following such guidance and standards in appropriate circumstances.

**4.3.5** The development of codes of practice and general operating standards for security companies is encouraged for local businesses; premises operators are urged to ensure that security services, when engaged, are provided by suitably qualified businesses operating to recognised standards and who should be working towards SIA accreditation.

**4.3.6** Enforcement will be achieved by the enforcement policy appended (Appendix B of SoLP).

## **6 Prevention of Public Nuisance**

The following details and measures are intended to address the need for the prevention of public nuisance which may be associated with licensed premises and certificated club premises:

**6.1.1** In determining applications for new and varied licences, regard will be had to the location of premises, the type and construction of the building and the likelihood of nuisance and disturbance to the amenity of nearby residents by reason of noise from within the premises, as a result of people entering or leaving the premises or from individuals or groups of customers gathered outside (e.g. in order to smoke).

**6.1.2** Applications for new licences or for the extension in size of licensed premises should not normally be granted if the premises will use amplified or live music and operate within or abutting premises containing residential accommodation except that occupied by staff of the licensed premises. A condition may be imposed on new licences that entertainment noise shall be inaudible in any residence. Noise emanating from within licensed premises should not normally be audible outside.

**6.1.3** Installation of sound limiting equipment and sound insulation may be required to minimise disturbance to the amenity of nearby residents by reason of noise from the licensed premises.

**6.1.5** In determining applications for new licences or extensions in hours or terminal hours of licensed premises, regard will be had to late night public transport availability and location of taxi ranks to aid dispersal of customers.

**6.1.6** Reasonable controls are available to all premises operators to minimise the impact of noise from customers outside. The council's Environmental Health Department has issued guidance on a number of steps that can be taken in this respect which are endorsed by this policy (see 6.2 below).

## **6.2 Smoking Advice**

**6.2.1** Premises licence holders will be expected to:

Develop a management plan on how to manage smoking on their premises and ensure that all staff are aware of the contents of this plan, and that it is effectively implemented. Noise from people smoking and talking can be intermittent, vary in character and volume and be intrusive. An effective smoking management plan will help prevent neighbours being disturbed.

- Comply with any planning conditions restricting the use of outdoor areas.
- Ensure that any structures used by smokers comply with the design criteria detailed in the Heath Act 2006 and that any structures, awnings, retractable canopies, etc have the relevant planning permission.
- Ensure any new lighting to outdoor areas must be designed so as not to cause a light nuisance to neighbours and again have the relevant planning permission and building control consent.
- Ensure that the conditions on the premises licence are complied with. There may be conditions restricting the hours of use of gardens and outdoor areas. Having reviewed the contents of the premises licence it may be necessary to request a variation of your licence.
- Licence tables and chairs on the Public Highway under the provisions of the Highways Act 1980. These licences may have conditions restricting the times that the area can be used.
- Ensure drinks, glasses and bottles are not taken onto the highway unless there is a tables and chairs licence permitting use. A system should be adopted to prevent theft and 'spiking' of drinks, and reminding customers not to leave unattended items.
- Discourage smokers remaining in gardens and outdoor areas and determine terminal hours.
- Discourage smokers remaining outside by removing/disabling tables and chairs or prohibiting their use after a certain time. Lights and heaters will also be turned off.
- Introduce a system that after a certain time the number of smokers outside are restricted to a maximum number. Staff will be needed to manage this restriction.
- Employ staff and/or SIA registered door supervisors to manage doors and control customers and smokers entering and leaving the premises. Staff positioned on the doors can help to encourage customers not to cause a noise problem. It may be that staff are required to manage doors after a certain time, particularly during the hours when neighbouring residents are trying to sleep.
- Ensure door supervisors maintain order outside venues and protect customer safety. BCRP supports the use of Night Safe. Radio net and other pager systems and pub watch schemes can be used to provide for rapid police response and alert other venues where customers and staff are endangered.
- Position signs to remind customers that the premises is in an area where people live. It is not always obvious in busy commercial streets with flats above. By

changing the design and wording of signs customers do not forget. Signs can be located in and outside the premises and on tables.

- Use CCTV to manage outside areas.

**6.2.2** Licensed premises should normally display prominent, legible signs at exits reminding customers to leave in a quiet, peaceful, orderly manner.

## **8 Integration of Strategies**

**8.1.1** The licensing authority shall secure the proper integration of this policy with local crime prevention, planning policy, transport, tourism and cultural strategies by:-

- Liaising and consulting with the Sussex Police, Community Safety Forum, Sustainability Commission representatives and following the guidance in community safety and crime and disorder strategy
- Liaising and consulting with Public and Alcohol Programme Board
- Liaising and consulting with the East Sussex Fire & Rescue Service
- Liaising and consulting with the Local Strategic Partnership, Safety Advisory Group (Emergency Planning) and Equalities and Social Justice Consultation Forum
- Liaising and consulting with the Planning authority
- Liaising and consulting with the Highways authority
- Liaising and consulting with local business and business associations. Having regard to any future documents issued relating to the Private Security Industry Act 2001, for example liaison or information sharing protocols
- Liaising and consulting with the Trading Standards Team, for example with regard to test purchasing codes of practice

**8.1.2** In line with statutory requirements and the council's Inclusion Policy, the Licensing Authority shall have due regard to the need to eliminate unlawful discrimination, and to promote equality of opportunity and positive relations between persons of diverse backgrounds, for example communities of interest such as: lesbian, gay, bisexual and transgender people; disabled people; racial and ethnic groups; religious and faith groups.

**8.1.3** This policy supports the aims of the tourism strategy, recognising the benefits for the tourism economy of creating a safer and more attractive city centre and improving competitiveness with other European cities. The Licensing Committee should receive any reports relevant to the needs of the local tourist economy and the cultural strategy for the area to ensure that it considers these matters.

**8.1.4** The Licensing Committee should receive relevant information relating to the employment situation of the area and the need for new investment and employment where appropriate.

**8.1.5** Specific conditions may be attached to premises licences to reflect local crime prevention strategies. Such conditions may include the use of closed circuit television cameras, use of the NightSafe radio system or accredited scheme, the provision and use of shatterproof drinking receptacles, drugs and weapons search policy, the use of registered door supervisors, specialised lighting requirements, hours of opening. Certificates issued to club premises shall reflect local crime prevention strategies and may include any or all of the requirements listed above.

**8.1.6** The licensing authority will have regard to the need to disperse people quickly and safely from the city centre to avoid concentrations which may produce disorder and disturbance.

## **8.2 Other regulatory regimes**

**8.2.1** This policy avoids duplication with other regulatory regimes wherever possible. The following notes are made with regard to specific regimes:

### **Health and Safety**

Certain premises will be the subject of health and safety enforcement by the local authority or the Health and Safety Executive (HSE). If other existing law already places certain statutory responsibilities on an employer or operator of premises, for example the Management of Health and Safety at Work Regulations 1999, it will not be necessary to impose the same or similar duties on the premises licence holder or club. However, existing duties will not always adequately cover specific issues that arise on the premises in connection with, for example, certain types of entertainment, and where additional and supplementary measures are necessary to promote the licensing objectives, necessary, proportionate conditions will need to be attached to a licence.

### **Fire Safety**

Premises and their operators will be regulated by general duties under current fire safety regimes and the Regulatory Reform (Fire Safety) Order 2005 rather than licensing provisions.

### **Noise**

Statutory and public nuisances are dealt with by the local authority's Environmental Health department under the Environmental Protection Act 1990, Noise Act 1996 and associated legislation. Noise from commercial premises may often fall under review powers set out in licensing provisions and closure powers in anti-social behaviour provisions.

### **Equality Act 2010**

The Public Sector Equality Duty obliges public authorities to have due regard to the need to eliminate unlawful discrimination, harassment and victimisation, and to advance equality of opportunity and foster good relations between persons who share protected characteristics and persons who do not share it. The local authority's equality and inclusion policy produced under these obligations shall include reference to this statement of licensing policy.

### **Community relations**

Integration of corporate strategies with licensing policy will include the Inclusive Council Policy which recognises the council's role, as a community leader, to promote community cohesion and good relations between diverse communities. Measures to address prevention of crime and disorder recognise the need to improve wellbeing and safety of all the communities in the city. Licensing policy supports the Crime and Disorder Reduction Partnership's crime reduction strategy. In particular it seeks to

confront and reduce racist, homophobic, transphobic and religiously motivated crimes, incidents and anti-social behaviour.

### **Anti-Social Behaviour, Crime and Policing Act 2014**

Contains powers to close premises that are causing nuisance or disorder. These powers can be exercised by the council or Police and they replace the closure powers in the Licensing Act 2003. The Act also contains powers to issue Community Protection Notices in respect of persons or businesses committing anti-social behaviour which is spoiling a community's quality of life.

### **Litter and Smoking**

CityClean contractors have Clean Neighbourhoods powers to enforce premises operators' responsibilities to keep frontages clear of litter.

### **Gambling Act 2005**

In relation to casinos and bingo clubs, the principal purpose is gaming. The sale of alcohol and the provision of entertainment in such premises is incidental to gaming and in determining whether to permit entertainment that constitutes regulated entertainment under the act, gaming license committees and / or the Gambling Commission will have taken into account relevant government guidance. Accordingly, it is felt that the licensing objectives will have been, or will be in the main, adequately considered by such committees and duplication of conditions should be avoided when considering applications under the 2003 Act where relevant representations have been made.

## **8.3 Enforcement**

**8.3.1** The Enforcement of licensing law and inspection of licensed premises is detailed in the Protocol between Sussex Police, the East Sussex Fire & Rescue Service and Brighton & Hove City Council. This protocol reflects the need for more efficient deployment of Police and Local Authority staff commonly engaged in licensing enforcement and can be found at Appendix D (Lead Agency Status) of the Statement of Licensing Policy. In addition, the Licensing Authority will have regard to its published Licensing Enforcement Policy in making enforcement decisions in accordance with Brighton & Hove City Council's Statement of Licensing Policy (Appendix B). In order to better target enforcement resources, inspections will be undertaken outside of normal office hours and the sharing of information between all enforcement agencies will be encouraged through joint meetings or similar arrangements.

**8.3.2** Attention is drawn to the targeting of agreed problem and high risk premises requiring greater attention as identified in the protocol. A number of other council and government policies, strategies and guidance documents must be taken into account to complement the policy, including:

- Community Safety & Crime Reduction Strategy
- Drugs and alcohol strategies – local alcohol harm reduction strategy
- Objectives of the Security Industry Authority
- The Anti-Social Behaviour Act 2003/ASBPC Act 2014
- The Health Act 2006
- The Violent Crime Reduction Act 2006

- Policing and Crime Act 2009

## 9 Reviews

**9.1.1** Reviews represent a key protection for the community. Where the licensing authority considers action necessary under its statutory powers it will take necessary steps to support the licensing objectives. Action following review will be informed by licensing enforcement policy – Appendix B.

**9.1.2** Where style of operation of a premises leads to applications concerning likelihood of racist, religiously motivated, homophobic or transphobic crimes or incidents, the review process should also support the community safety policy. Action should be proportionate and licences would normally be suspended or revoked in these circumstances to deter further incidents.

## 5. FINANCIAL & OTHER IMPLICATIONS:

### Financial Implications:

- 5.1 The licensing Act 2003 provides for fees to be payable to the licensing authority in respect of the discharge of their functions. The fee levels are set centrally at a level to allow licensing authorities to fully recover the costs of administration, inspection and enforcement of the regime.

*Finance Officer Consulted Michael Bentley*

*Date: dd/mm/yy*

### Legal Implications:

- 5.2 The licensing authority must act to promote the four licensing objectives which are:

- The prevention of crime and disorder
- Public safety
- The prevention of public nuisance
- The protection of children from harm

The licensing authority must have regard to its statement of licensing policy and the guidance issued by the Secretary of State in carrying out its functions.

*Lawyer Consulted: Rebecca Sidell*

*Date: dd/mm/yy*

### Equalities Implications:

- 5.3 Diversity is valued and strong, safe communities are vital to future prosperity. Licensing policy aims to protect children from harm including sale and supply of alcohol to children.

### Sustainability Implications:

- 5.4 Licensing policy aims to prevent public nuisance and develop culture of live music, dancing and theatre.
