

WRITTEN QUESTIONS FROM MEMBERS OF THE PUBLIC

A period of not more than fifteen minutes shall be allowed at each ordinary meeting for questions submitted by a member of the public who either lives or works in the area of the authority.

The question will be answered without discussion. The person who asked the question may ask one relevant supplementary question, which shall be put and answered without discussion. The person to whom a question, or supplementary question, has been put may decline to answer it.

The following written questions have been received from members of the public.

(a) Mr Roy Pennington

Given the local Craven Vale Community Association / Local Action Team was not advised properly of the start of the formal consultation (thus reducing significantly the number of responses), and

Given the St Mary's Church Hall exhibition was not located near Canning Street even though there was nearer venue in Hadlow Close, and

Given it will be likely that there will be much parking displacement into the adjoining streets of Bakers Bottom caused by this extension of Zone H, and

Will the parking team monitor the situation to show the extent of that parking displacement for at least a year?
