A period of not more than fifteen minutes shall be allowed for questions submitted by a member of the public who either lives or works in the area of the authority at each ordinary meeting of the Committee.

Every question shall be put and answered without discussion, but the person to whom a question has been put may decline to answer. The person who asked the question may ask one relevant supplementary question, which shall be put and answered without discussion.

The following written question has been received from members of the public.

(a) Ms Valerie Paynter

“For a few years now Planning Forum meetings have been held to which those submitting a lot of planning applications are invited. The Council website provides Minutes for these meetings. May I ask why no Minutes have been uploaded for the last meeting in 2010 or for any of the 2011 or 2012 meetings listed there?”
