ROTTINGDEAN HIGH STREET**

This Council acknowledges the severity of the traffic-related air pollution problem in Rottingdean High Street and the serious health impacts this is likely to be having on local residents in the village, and supports the deputation from Rottingdean Parish Council to the Environment, Transport and Sustainability Committee on 28 June requesting traffic modelling which was noted by the Committee.

Therefore, this Council resolves to request that a report be brought before the next meeting of the Environment, Transport & Sustainability Committee outlining options for improving traffic flow through the village and any other measures which will reduce the levels of air pollution in Rottingdean.
