End of Life Care in Dementia Project

Brighton and Hove Stakeholder Group

Terms of Reference

Introduction

The overall aim of the End of Life Care in Dementia project is to improve end of life care for people with dementia across Sussex, so that more people with dementia die in their preferred place of death, with dignity, without undue pain and with their advance wishes respected. Specific objectives are:

1. To increase advanced end of life care planning for people with dementia
2. To develop a comprehensive care pathway for people with dementia at the end of life
3. To ensure staff caring for those with dementia and nearing the end of their life are equipped with the skills to deliver safe, high quality care.

Purpose of the Brighton and Hove Stakeholder Group

The aim of the Stakeholder Group is to support the delivery of the End of Life Care in Dementia project aims and objectives within the Brighton and Hove locality.

Functions

The Stakeholder Group will work together to share knowledge, skills and expertise and through this to:

• develop a comprehensive and integrated care pathway for people with dementia at the end of life which includes advance care planning
• develop and agree local joint action plans for implementing the integrated care pathway including arrangements for monitoring and reviewing progress
• develop and agree local protocols to support best practice
• identify learning and development needs related to end of life care in dementia
• contribute to the evaluation of the End of Life Care in Dementia Project

Accountability
