Good Evening Kat,

Please find attached a Map which I would like to add to the agenda for the hearing on the 25th February 2019 for 17 Preston Road.

Sussex Police will continue to raise a representation to this application at this hearing.

One reason for the representation is due to the high number of off licences in the locale and I would like to add this map for reference as I will be mentioning the saturation of off licenced premises in this area at the hearing.

Please note this map does not include the on sales licenced premises in this area.

Kind Regards

Hannah Staplehurst
