Hello

I have spoken to the applicant who has agreed to the following conditions under the Licensing Objective of the Prevention of Public Nuisance:-

- All deliveries will be carried out in one 0.7L Smart Car or electric car or on Electric bikes only. No other vehicles including mopeds or vans will be used for deliveries from the premises.
- Signage will be displayed asking staff to respect the residents right to peace and quiet and to leave the area quietly
- Staff will not congregate outside the premises but will remain indoors in the waiting area while they are waiting to collect the products to be delivered.

I am therefore happy to withdraw my representation

Thanks Emma

Hi Emma,

Hope you're well

Yes I would be happy to accept those conditions, with one very slight amendment.

- All deliveries will be carried out in one 0.7L Smart Car, **electric car/van** or on Electric bikes only. No other vehicles including mopeds will be used for deliveries from the premises.

This way I am able to upgrade the smart at some point in the future.

Do let me know if this would be sufficient for you,

Kind regards,
