Therefore, this Council resolves to:

- Ask the Chief Executive to write to the Chief Executive of Brighton & Hove Buses and Southern Rail asking for a ban on the advertising of fast food and energy drinks to be imposed across the Brighton & Hove transport network
- Request that the Adult Social Care and Public Health Sub Committee calls for an audit of fast food or energy drinks advertisements on any hoarding

or within any building owned by this Council including large advertisements on bus stops

- Ask the Chief Executive to write to the relevant minister requesting the recommendations of the 'Taking Down Junk Food Adverts' report be adopted as government policy as soon as possible; copying in our local members of Parliament to seek their support.
