4 COMMENTARY ON THE LICENSING POLICY

4.2 The following extracts from Guidance issued under section 182 of the Licensing Act 2003 are considered relevant to this application and **numbered as they appear in the Guidance**:

General

- 7.2 The system of permitted temporary activities is intended as a light touch process, and as such, the carrying on of licensable activities does not have to be authorised by the licensing authority on an application. Instead, a person wishing to hold an event at which such activities are proposed to be carried on (the "premises user") gives notice to the licensing authority of the event (a "temporary event notice" or "TEN").
- 7.6 The police or Environmental Health Authority (EHA) ("relevant persons" for the purposes of TENs) may intervene to prevent such an event taking place by sending an objection to the licensing authority, which the licensing authority must consider on the basis of the statutory licensing objectives and decide whether the event should go ahead. A relevant person may also intervene by agreeing a modification of the proposed arrangements directly with the TENs user (see paragraph 7.36). If a relevant person sends an objection, this may result in the licensing

authority imposing conditions on a TEN but only where the venue at which the event is to be held has an existing premises licence or club premises certificate. When giving a TEN, the premises user should consider the promotion of the four licensing objectives. The licensing authority may only otherwise intervene if the statutory permitted limits on TENs would be exceeded (see paragraphs 7.15-7.22 of the Guidance).

- 7.7 A TEN does not relieve the premises user from any requirements under planning law for appropriate planning permission where it is required.
- 7.28 If the licensing authority receives an objection notice from the police or EHA that is not withdrawn, it must (in the case of a standard TEN only) hold a hearing to consider the objection unless all parties agree that this is unnecessary. The licensing committee may decide to allow the licensable activities to go ahead as stated in the notice. If the notice is in connection with licensable activities at licensed premises, the licensing authority may also impose one or more of the existing licence conditions on the TEN (insofar as such conditions are not inconsistent with the event) if it considers that this is appropriate for the promotion of the licensing objectives. If the authority decides to impose conditions, it must give notice to the premises user which includes a statement of conditions (a "notice (statement of conditions)") and provide a copy to each relevant party. Alternatively, it can decide that the event would undermine the licensing objectives and should not take place. In this case, the licensing authority must give a counter notice.

Police and environmental health intervention

- 7.32 The system of permitted temporary activities gives police and EHAs the opportunity to consider whether they should object to a TEN on the basis of any of the licensing objectives.
- 7.33 If the police or EHA believe that allowing the premises to be used in accordance with the TEN will undermine the licensing objectives, they must give the premises user and the licensing authority an objection notice. The objection notice must be given within the period of three working days following the day on which they received the TEN.
- 7.34 Where a standard TEN was given, the licensing authority must consider the objection at a hearing before a counter notice can be issued. At the hearing, the police, EHA and the premises user may make representations to the licensing authority. Following the hearing, the licensing authority may decide to impose conditions which already apply to an existing premises licence or club premises certificate at the venue, or issue a counter notice to prevent the event going ahead. As noted above, there is no scope for hearings in respect of late TENs and if objections are raised by the police or EHA in relation to a late TEN, the notice will be invalid and the event will not go ahead.
- 7.35 Such cases might arise because of concerns about the scale, location, timing of the event or concerns about public nuisance even where the statutory limits on numbers are being observed. The premises user who

signs the form is legally responsible for ensuring that the numbers present do not exceed the permitted limit at any one time. In cases where there is reason to doubt that the numbers will remain within the permitted limit the premises user should make clear what the nature of the event(s) is and how they will ensure that the permitted persons limit will not be exceeded. For example, where notices are being given for TENs simultaneously on adjacent plots of land it may be appropriate for door staff to be employed with counters. In each case it is important that licensing authorities and relevant persons can consider whether they believe that the premises user intends to exceed the 499 person limit, or will be unable to control or know whether the limit will be exceeded. Where the planned activities are likely to breach the statutory limits or undermine the licensing objectives, it is likely to be appropriate for the police or EHA to raise objections.

7.36 However, in most cases, where for example, alcohol is supplied away from licensed premises at a temporary bar under the control of a personal licence holder, (such as at weddings with a cash bar or small social or sporting events) this should not usually give rise to the use of these powers.

Modification

7.37 As noted above, the police or EHA (as "relevant persons") may contact the premises user to discuss their objections and try to come to an agreement which will allow the proposed licensable activities to proceed. The TEN can be modified (for example, by changing the details of the parts of the premises that are to be used for the event, the description of the nature of the intended activities or their duration). The other relevant person has to agree for the modification to be made. There is no scope under the 2003 Act for the modification of a late TEN.

Applying conditions to a TEN

- 7.38 The 2003 Act provides that only the licensing authority can impose conditions to a TEN from the existing conditions on the premises licence or club premises certificate at the venue. The licensing authority can only do so:
 - if the police or the EHA have objected to the TEN;
 - if that objection has not been withdrawn;
 - if there is a licence or certificate in relation to at least a part of the premises in respect of which the TEN is given;
 - and if the licensing authority considers it appropriate for the promotion of the licensing objectives to impose one or more conditions.
- 7.39 This decision is one for the licensing authority alone, regardless of the premises user's views or willingness to accept conditions. The conditions must be notified to the premises user on the form prescribed by regulations.

5. FINANCIAL & OTHER IMPLICATIONS:

Financial Implications:

5.1 The licensing Act 2003 provides for fees to be payable to the licensing authority in respect of the discharge of their functions. The fee levels are set centrally at a level to allow licensing authorities to fully recover the costs of administration, inspection and enforcement of the regime.

Finance Officer Consulted Michael Bentley Date: 04/08/21

Legal Implications:

- 5.2 The licensing authority must act to promote the four licensing objectives which are:
 - The prevention of crime and disorder
 - Public safety
 - The prevention of public nuisance
 - The protection of children from harm

The licensing authority must have regard to its statement of licensing policy and the guidance issued by the Secretary of State in carrying out its functions.

Lawyer Consulted: Rebecca Sidell Date: 04/08/21

Equalities Implications:

5.3 Diversity is valued and strong, safe communities are vital to future prosperity. Licensing policy aims to protect children from harm including sale and supply of alcohol to children.

Sustainability Implications:

5.4 Licensing policy aims to prevent public nuisance and develop culture of live music, dancing and theatre.

Brighton & Hove Licensing Unit

REDACTED

3rd August 2021

The Licensing Technical Support Officers Environmental Health, Brighton & Hove City Council Bartholomew House, Bartholomew Square Brighton, East Sussex BN1 1JP

RE: TEMPORARY EVENT NOTICES (TENs) X4 FOR BRAZEN WINE CO, UNIT 5, HANNINGTON LANE, BRIGHTON, BN1 1GS TO COVER THE FOLLOWING DATES: 18TH – 22ND AUGUST 2021; 25TH – 30TH AUGUST 2021; 1ST – 5TH SEPTEMBER 2021; 8TH – 12TH SEPTEMBER 2021

NOTICE OF OBJECTION under Section 104 (2) of the Licensing Act 2003

To whom it may concern,

Notice of objection is hereby given on behalf of the Chief Officer of Police for Sussex for the above Temporary Event Notices (TENs) on the grounds of the licensing objectives of prevention of crime and disorder and protection of children against harm are not being promoted.

All four of the TENs seek to licence the sale by retail of alcohol between the hours of 11:00 – 20:00 (12:00 – 20:00 on the Sundays covered) between the following dates:

18th – 22nd August 2021 25th – 30th August 2021 1st – 5th September 2021 8th – 12th September 2021

The TENs are asking for the sale of alcohol 'off' the premises of 'wines sourced from small artisan

producers'. The location of the TEN is a shopfront in the centre of town, based within the Brighton & Hove City Council Cumulative Impact Zone (as defined by the BHCC Statement of Licensing Policy 2021). This is an area of concern due to the increased risk of crime and disorder as well as the saturation of licensed premises.

While they have mentioned some measures to manage the risk including sealed containers for consumption 'off' the premises as well as no tastings or consumption on site, on reading the application we do not feel adequate provisions have been made or outlined to prevent the potential for disorder or sufficiently promote the protection of children from harm throughout the duration of the event. There is no mention of an age verification policy e.g. Challenge 25.

Sussex Police has made the applicant aware of the above concerns as the applicant and his business partner are currently in the consultation process for a time limited premises licence to run at this address. Therefore, Sussex Police are still raising an objection over the concerns around the lack of any proposed measures around age verification, intoxication or vulnerability. We do not have confidence that the above licensing objectives will be promoted by allowing this TEN.

Therefore, the Chief Officer of Police contends that permitting TEN to be used in accordance with the notice is likely to undermine the licensing objectives of the prevention of crime and disorder and protection of children from harm. For these reasons, we ask that a Counter Notice is issued by the Licensing Authority Committee.

I confirm that a copy of this objection letter has been sent by email to the applicant and every other 'relevant person'.

Yours faithfully,

REDACTED
