Public involvement

In response to the current Covid-19 pandemic this meeting is being held with a reduced membership being present in the council chamber.

Those attending in person are expected to adhere to current guidelines and to wear a mask throughout the time that they are in attendance and to have taken a lateral flow test prior to coming to the Town Hall.

The meeting will also be webcast live to the internet and a link will be available on the Council website

Access notice

In response to the current situation with Covid-19, this meeting will be held virtually via Teams and web cast simultaneously.

The City Council actively welcomes members of the public and the press to attend its meetings and holds as many of its meetings as possible in public. Provision is also made on the agendas for public questions to committees and details of how questions can be raised can be found on the website and/or on agendas for the meetings.

The closing date for receipt of public questions and deputations for the next meeting is 12 noon on the fourth working day before the meeting.

For those members of the public wishing to actively take part in the meeting a link will be emailed so that they can join the meeting.

Meeting papers can be provided, on request, in large print, in Braille, on audio tape or on disc, or translated into any other language as requested.

Webcasting notice

This meeting may be filmed for live or subsequent broadcast via the Council's website. At the start of the meeting the Chair will confirm if all or part of the meeting is being filmed. You should be aware that the Council is a Data Controller under the Data Protection Act 1998. Data collected during this web cast will be retained in accordance with the Council's published policy.

Therefore, by joining the meeting via the link provided you are deemed to be consenting to being filmed and to the possible use of those images and sound recordings for the purpose of web casting and/or Member training. If members of the public do not wish to have their image captured, they should ensure they do not use the Teams video facility and provide a static image.
