A list of agreed fees for 2023/24 and proposed fees for 2024/25 is included in

Appendices 1-3.

*Note: If the above recommendations are not agreed, or if the committee wishes to amend the recommendations, then the item will **normally** need to be referred to the Strategy, Finance & City Regeneration Committee meeting on 9 February 2024 to be considered as part of the overall 2024/25 budget proposals. This is because the 2024/25 budget proposals are developed on the assumption that fees and charges are agreed as recommended and any failure to agree, or a proposal to agree different fees and charges, will have an impact on the overall budget proposals, which means it needs to be dealt with by Strategy, Finance & City Regeneration Committee as per the requirements of the constitution. This does not fetter the committee's ability to make recommendations to Strategy, Finance & City Regeneration Committee.*
