RECORD OF CABINET COMMITTEE DECISION

DECISION-MAKER:	SUSTAINABILITY CABINET COMMITTEE
PORTFOLIO AREA:	FINANCE & RESOURCES
SUBJECT:	MEETING THE 10:10 COMMITMENT
AUTHOR:	THURSTAN CROCKETT

THE DECISION

- (1) That the Cabinet Committee recognises the importance of this in terms of leadership, notes the council's challenge to the members of Brighton & Hove Strategic Partnership to sign up to 10:10, and the development of a city-wide campaign.
- (2) That 10:10 is used as an internal communications tool to actively engage staff in saving energy and fuel and hence carbon emissions and taxpayers' money.

REASON FOR THE DECISION

Cabinet agreed on November 12 to sign up to the 10:10 Campaign and to consider at Sustainability Cabinet Committee on January 21, 2010 at what measures might help it achieve this.

DETAILS OF ANY ALTERNATIVE OPTIONS

One option would be to focus less on schools and council housing for spending on energy efficiency, as these will not directly count towards the 10:10 footprint. The council's housing stock is in the upper quartile nationally for energy efficiency. Schools are signing up individually to 10:10. But it is important to continue to work on both and especially schools as there is so much scope for improvement and DEC's to help prioritise schools for action.
