RECORD OF CHILDREN & YOUNG PEOPLE COMMITTEE DECISION

SUBJECT: SELF MANAGED LEARNING COLLEGE
(SMLC)

AUTHOR: ELLEN MULVIHILL

THE DECISION

Two separate amendments were put and a vote was taken on each of them in turn.

The first which was put by the Conservative Group was lost by a vote of 3 to 7 (Conservative for, Labour and Green against), the second amendment which was put by the Green group was upheld by a vote of 7 to 3 (Conservatives and Greens for, Labour against). This second set of amendments was then incorporated and became the substantive recommendations on which a formal vote was taken. The amended recommendations were rejected by a vote of 6 to 4 (Greens for, Conservative and Labour against).

Following a brief adjournment the Committee reconvened and it was determined that following rejection of the recommendations the default position was that the status quo applied. This meant the current policy as to funding the attendance of children in receipt of home education at the SMLC remained as it was prior to the vote.

RESOLVED – No decision was taken.

REASON FOR THE DECISION

No decision was taken.

DETAILS OF ANY ALTERNATIVE OPTIONS

Options considered as part of the consultation exercise with parents are set out in the main body of the report. The amendments considered were defeated when the amended recommendations were considered.

RECORD OF CHILDREN & YOUNG PEOPLE COMMITTEE DECISION

SUBJECT: PROPOSED EXPANSION OF WEST HOVE JUNIOR SCHOOL: STATUTORY NOTICE

AUTHOR: MICHAEL NIX

THE DECISION

RESOLVED - That the Children and Young People Committee confirms the proposal contained in the statutory notice and resolves to expand West Hove Junior School by three forms of entry in September 2014 and four forms of entry from September 2015.

REASON FOR THE DECISION

The Council has a statutory duty to secure a school place for any child in its area that wants one. Current and projected pupil numbers for the city as a whole show there is an immediate and ongoing need for additional school places in the city.

It is recommended that the proposals to expand West Hove Junior School are approved as this will provide the necessary additional places for junior age children in Hove to complement the provision already being made at West Hove Infant School (Connaught).

The initial public consultation in respect of this proposal showed that the great majority of respondents were happy with the proposal. This outcome has been confirmed by responses to the Statutory Notice.

The new site will be covered by the Council's admissions arrangements which strive to provide truly local schools which serve their most immediate community and assist in the aspirations of the Local Authority in terms of green travel arrangements.

DETAILS OF ANY ALTERNATIVE OPTIONS

A paper to the Children and Young People Committee in October 2012 and the School Organisation Plan adopted at that meeting presented the full range of options available to address the need for future places in the city. The proposal within this report is part of the strategy for addressing this need identified in the School Organisation Plan.

SUBJECT: BRIGHTON & HOVE CITY WIDE MATHS
PROJECT PLAN 2013/14

AUTHOR: HILARY FERRIES

THE DECISION

RESOLVED – That the Committee notes the summary of the Maths Project for the Year of Maths. This has been developed in partnership with a steering group of headteachers and maths specialists, representatives from the University of Brighton and the University of Sussex and a member of Her Majesty's Inspectorate (HMI).

REASON FOR THE DECISION

Local Authorities have a statutory duty under Section 13A of the Education Act 1996 to ensure that their functions relating to the provision of education are exercised with a view to promoting high standards. This report informs the Committee as to how the Authority is seeking to fulfil this duty, and invites the Committee to comment.

AUTHOR: MICHAEL NIX

THE DECISION

RESOLVED – That the Committee approve the Terms of Reference set out in Appendix 1 to the report for the Cross Party School Organisation Working Group.

REASON FOR THE DECISION

The challenges for school places planning merit the establishment of a more formal mechanism for keeping these issues under review and advising the Committee. The proposed Cross Party School Organisation Working Group will meet this purpose.

DETAILS OF ANY ALTERNATIVE OPTIONS
