

**NOTICE OF MOTION****THE FAST TRACK CITIES INITIATIVE 90:90:90****GREEN GROUP AMENDMENT**

To add two further bullet points as shown in ***bold italics***

The Council supports the aims of the Fast Track Cities initiative and requests that the Health & Wellbeing Board:

- Agrees the Paris Declaration of 1<sup>st</sup> November 2014 and commits the Council, with the support of health partners, to the 90:90:90 target of 90 % of people living with HIV being aware of their status; 90% of them being on antiretroviral treatment and 90% of those having undetectable viral loads;
- Agrees to Brighton & Hove becoming the first city in the UK to become a fast track city and through sustained efforts work towards the ambition of the Martin Fisher Foundation strategy “Towards Zero, HIV Prevention Strategy: Working together towards Zero new HIV infections, zero HIV related deaths and zero HIV stigma in Brighton & Hove”.
- Agrees to work to end any stigma associated with living with HIV infection.
- ***Agrees to put a plan in place to achieve this work, including a broad and thorough public engagement campaign, working closely with HIV community organisations in our city.***
- ***Agrees to investigate how the cut of 20% in HIV support services, agreed through budget council, will affect both people living with HIV and people at risk of HIV in the city.***

Proposed by: Cllr Phillips

Seconded by: Cllr Mac Cafferty

Supported by: The Green Group of Councillors

Revised motion if agreed:

The Council supports the aims of the Fast Track Cities initiative and requests that the Health & Wellbeing Board:

- Agrees the Paris Declaration of 1<sup>st</sup> November 2014 and commits the Council, with the support of health partners, to the 90:90:90 target of 90 % of people living with HIV being aware of their status; 90% of them being on antiretroviral treatment and 90% of those having undetectable viral loads;
- Agrees to Brighton & Hove becoming the first city in the UK to become a fast

track city and through sustained efforts work towards the ambition of the Martin Fisher Foundation strategy “Towards Zero, HIV Prevention Strategy: Working together towards Zero new HIV infections, zero HIV related deaths and zero HIV stigma in Brighton & Hove”.

- Agrees to work to end any stigma associated with living with HIV infection.
- Agrees to put a plan in place to achieve this work, including a broad and thorough public engagement campaign, working closely with HIV community organisations in our city.
- Agrees to investigate how the cut of 20% in HIV support services, agreed through budget council, will affect both people living with HIV and people at risk of HIV in the city.
