

**NOTICE OF MOTION  
CONSERVATIVE GROUP****ROADSIDE LITTER**

This Council warmly welcomes the Government's proposed new Litter Strategy, in particular the plan to give councils the power to issue fixed penalty notices to drivers who allow litter to be thrown from their cars onto the roadside.

Given the appalling state of the verges on some of Brighton & Hove's key arterial roads, this Council:

- (i) Calls on the Chief Executive to write to the Secretary of State for the Environment urging her to introduce the measures in the new Strategy as a matter of priority and to allocate additional resources to enable them to be effectively implemented;
- (ii) Requests that the Chair of the Environment, Transport & Sustainability Committee meets with the Council's enforcement contractor at the earliest opportunity to discuss how the new powers could be introduced in Brighton & Hove without delay.

Seconded by: Councillor Janio
