

Minuted decisions made by Lewes District Council and East Sussex County Council between July and October 2017

Lewes District Council – Full Council meeting (17 July 2017)

“To continue to work in close partnership with East Sussex County Council, Brighton and Hove City Council and all relevant Town and Parish Councils, to fully address the current situation with regards to the Air Quality Management Areas at Newhaven and Rottingdean, taking into account peak flow circumstances and the impact of future housing development on the capacity and operation of the A259 between Newhaven and Brighton, these actions to include referral to Scrutiny and the production of any necessary documents and reports.”

East Sussex County Council – Lead Member for Transport and Environment meeting (25 September 2017)

“to recommend that the County Council considers the petitioners’ request to undertake a joint traffic evaluation study and economic impact study with Brighton & Hove City Council and Lewes District Council in the light of details of the mitigations and consequences designed to support planned growth in the relevant areas, and the package of mitigating transport interventions to support the planned growth in the coastal towns in Lewes District which has already been identified, with the County Council continuing to develop, design and deliver this package of interventions for the A259 corridors with partner authorities.”.

East Sussex County Council – Full Council meeting (17 October 2017)

“This Council recommends to the Lead Member for Transport and Environment that traffic monitoring on the A259 continues, and that the Lead Member continues to work with Lewes District Council and Brighton & Hove City Council to deliver the package of planned transport interventions identified during the development of the Lewes Local Plan.”
