

COUNCILLOR REPRESENTATION

Ref: BH2016/05672 - St Christopher School Sports Ground, Glebe Villas, Hove
Date: 13 November 2016

Hi Nicola/Paul,

I'm not too sure where I'm supposed to send comments on a planning application when it's on the system but no officer has been appointed...so I'm sending to you guys. My objection to this application, following meetings with several residents who live adjacent to the field, is the proposed hours.

Residents are worried that the absence of a cap on the number of days of usage, along with the late finish, and lack of a condition on who can use the field, makes it inevitable that they will be disturbed to unacceptable levels.

I quite understand their concerns and therefore object to this application.

I would like to go to committee in the event that it is recommended for approval.

Can this please be added to the comments?

Thanks

Cllr Robert Nemeth - Wish Ward
Brighton & Hove City Council
