

## **APPENDIX A**

**M** Describe the steps you intend to take to promote the four licensing objectives:

**a) General – all four licensing objectives (b, c, d and e)** (please read guidance note 10)

We take all 4 objectives seriously at Velvet Jacks and believe we operate fully with them in mind.

One extra consideration is to add an extra 2 camers to our cctv

**b) The prevention of crime and disorder**

We allow people adequate drinking up time and never push them out with a grumpy attitude

We are considering another camer outside

We always ask our clientele to leave quietly

**c) Public safety**

We are rarely at full capacity, but we do open a small rear patio space downstairs that people can use to smoke.

I am a trained first aider (trained at Lewes college from my prison service days)

**d) The prevention of public nuisance**

We do not, and will not play very loud music in the bar

We are lucky enough not to be too close to immediate residents (above us and the next 2 dwellings are language schools) and we look out to Norfolk Sq

I have sufficient ash trays etc outside, and myself and staff make regular checks with the outside

I always have plastic glasses available

**e) The protection of children from harm**

I do not have children in my bar after 7pm .... I rarely have children at all!!

My custom is not really family orientated

We have the over 25 policy displayed and challenge whenever necessary
