

PHASING OUT SINGLE-USE PLASTICS

GREEN GROUP AMENDMENT

That the following recommendations be made to the report, as shown in ***bold italics***:

2.1 Note the report and work progress detailed in section 4.

2.2 Approve the draft Corporate SUPs policy Appendix 1, ***including***:

- strengthening the existing Sustainable Event Commitment Form and guidance circulated to exhibitors and traders;

- the possibility of requiring event organisers and vendors to avoid Single Use Plastics as a condition of their event permission

2.3 Approve the recommendation that reporting on this will be brought to Environment, Transport and Sustainability Committee on an annual basis, ***including an action plan detailing the timeframe for achieving the goals set out in the policy***, until such time that the committee is confident that the city council has done all it can to reduce and eliminate SUPs use in the city,
