

**AN ECONOMIC STRATEGY FOR BRIGHTON & HOVE
GREEN GROUP AMENDMENT**

To amend recommendation 2.1 as shown below in ***bold italics*** below:

2.1 Recommends the Economic Strategy to the Policy, Resources & Growth Committee and then Full Council for adoption, ***with the following amendment to the first pillar, 'A Growing City,' as follows:***

A Growing ***and Sustainable*** city: A city that unlocks its capacity for ***sustainable*** growth through the delivery of homes, space and infrastructure and through the evolution of a better connected economy.

Proposed by: Cllr Druitt

Seconded by: Cllr Mac Cafferty

Recommendation if carried to read:

2.1 Recommends the Economic Strategy to the Policy, Resources & Growth Committee and then Full Council for adoption, with the following amendment to the first pillar, 'A Growing City,' as follows:

A Growing and Sustainable city: A city that unlocks its capacity for sustainable growth through the delivery of homes, space and infrastructure and through the evolution of a better connected economy.
