

3.3 The Matrix Approach

The Licensing Authority will support:

3.3.1 Diversity of premises: ensures that there is a mix of the different types of licensed premises and attracts a more diverse range of customers from different age groups, different communities and with different attitudes to alcohol consumption. It gives potential for positively changing the ambience of the city or an area of it. This will have a positive effect in reducing people's fear of crime and in increasing the number of evening visitors to the city centre. The Community Safety Strategy recognises that too many single uses in a confined area and patrons turning out onto the streets at the same time may create opportunities for violent crime and public disorder and therefore supports: mixed use venues encouraging a wider age balance.

3.3.2 A "matrix" approach to licensing decisions has been adopted and is set out below. It provides a framework of what the licensing authority would like to see within its area and gives an indication of the likelihood of success or otherwise to investor and businesses making applications.

Notes on matrix

Subject to the following notes, the policy, as represented in the matrix, will be strictly adhered to:

- 1) Each application will be considered on individual merit
- 2) Applications within the CIZ are subject to the special policy on cumulative impact at para 3.1, and those within the special stress area to the special stress policy considerations at para 3.2.
- 3) Departure from the matrix policy is expected only in exceptional circumstances
- 4) Exceptional circumstances will not include quality of management or size of venue except where explicitly stated in policy matrix.
- 5) Exceptional circumstances may include: consultation with and meeting requirements of responsible authorities, an appropriate corporate social responsibility policy, community contribution to off set impact (such as financial contribution to infrastructure), community support, alcohol sale ancillary to business activity (demonstrable to responsible authorities and licensing authority, for instance by licence condition allowing authorised officers access to sales accounts).
- 6) The following licensing activities are encouraged and valued by the licensing authority: outdoor regulated entertainment, community based street parties, members clubs, traditional pubs outside the city centre and non-alcohol led licensable activities, particularly within city centre.
- 7) Other Areas; consideration will be given to the nature of the area and location in relation to any application. In a residential area for example the concerns of local residents will be relevant when considering applications for off-licences, pubs or café bars, especially if there is evidence of anti-social behaviour, street drinking or underage drinking. Earlier closing times may be appropriate. Regard will be had to the Public Health Framework for assessing alcohol licensing and the Street Community and Drug Activity Profile. These documents are available on the following page of our website www.brighton-hove.gov.uk/licensingact.
- 8) In an area where there are already several existing off-licences and where representations are received about negative cumulative impact on the licensing objectives of a further premises, the application may be refused on these grounds.
- 9) Outdoor events will be supported where arranged through the council's event planning process. Generally, regulated entertainment in the open air including tents and marquees should have a maximum closure hour of 2300. Earlier hours may be imposed in sensitive open spaces or near residential areas. The Licensing Authority will have regard to Noise Council guidance.

3.3.3 Café **Bars** - the licensing authority may be prepared to look favourably upon an application for the grant of a licence, subject to the following conditions that will prevent the premises becoming a public house.

- The sale of intoxicating liquor and other beverages shall be waiter/waitress service for consumption by persons seated at tables.
- Substantial food shall be available at all times.

3.3.4 Restaurants - the licensing authority may be prepared to look favourably upon an application for the grant of a licence, subject to the following restaurant condition.

- Intoxicating liquor shall not be supplied or sold on the premises otherwise than to persons taking table meals there and for the consumption by such a person as an ancillary to their meal. There will be no vertical drinking.
- Restaurants with outside service - the licensing authority will also consider applications from restaurants that request to serve alcohol to areas adjacent to or immediately outside their premises. In addition to the above conditions for café bars, the licensing authority will require evidence that the applicants have an agreement with the local authority to use the area as defined on a plan provided. The following condition may also apply:
- The sale and supply of alcohol for consumption off the premises shall be restricted to an area licensed by the Local Authority for use of the public highway as shown on the plan deposited and such area shall be defined by a physical barrier acceptable to the licensing authority.
