**29/10/2019:**

As a ward councillor for Rottingdean Coastal I wish to object to the above planning application for the following reasons:

In my opinion this application for a summer house, looks more like a bungalow with its height and width, and it out of keeping with the surrounding area.

Concerns have been raised with regards to the closeness and deep excavations at the boundary , and possible use as living accommodation

Should the decision be taken to grant this application under delegated powers , I wish this planning application to go to the planning committee and reserve my right to speak.
