

**NOTICE OF MOTION**

**ENVIRONMENTAL IMPACT ASSESSMENT AND TRAFFIC MODELLING**

**CONSERVATIVE GROUP**

This Committee agrees to request the Executive Director Economy, Environment & Culture: -

1. To commission and undertake a full environmental impact assessment (including air quality assessment) and full comprehensive traffic modelling assessment (including traffic displacement and bus congestion impact analysis for North Street and Old Steine) over the project areas known as Valley Gardens 3 and Duke's Mound including the A259 and Madeira Drive. The assessments to consider the areas as if they were one; and
2. Report back the results of those assessments for further consideration by this Committee at the earliest opportunity.

Proposed by: Cllr. Lee Wares

Seconded by: Cllr. Vanessa Brown
