1. Decisions, recommendations and any options

It is recommended that the Board:

- 1.1 Note the report and commends partner agencies for their contribution to safeguarding adults with care and support needs.
- 1.2 Note SAB achievements and challenges (in **Appendix 1**).

2. Relevant information

- 2.1 It is a statutory requirement for the SAB to publish an annual report evaluating the effectiveness of safeguarding arrangements for adults with care and support needs in the local area.
- 2.2 The B&H SAB has continued to work in partnership with member agencies to safeguard adults with care and support needs, and to minimise any adverse consequences of abuse.
- 2.3 Details of the Safeguarding Board’s work this year can be found in the Annual Report (**Appendix 1**)

3. Important considerations and implications

Legal:

Schedule 2 to The Care Act 2014 requires the SAB to publish an annual report and provide a copy of the same to the Health and Wellbeing Board.

Finance:

The Brighton and Hove SAB has an agreed budget with multi-agency funding and received the following contributions in financial year 2019/20; the Local Authority £0.037m, the East Sussex Fire and Rescue £0.005m, the Police and Crime Commissioner for Sussex £0.010m and Brighton and Hove Clinical Commissioning Group £0.012m.

These contributions cover the running costs of the board and the expenditure is detailed in the annual report.

Equalities:

The SAB through the City Council and other partner agencies will continue to work to ensure people with care and support needs and their carers have access to safeguarding services – particularly those who are less able to communicate due to age, disability, language or for other reasons. The work of the Board contributes to improved community cohesion. Where reviews recommend ways to better meet needs of people sharing a protected characteristic these are provided to the relevant organisations, implemented and monitored.

Sustainability:

The SAB is a statutory requirement. It needs to be appropriately resourced to fulfil its statutory obligations.

All SAB multi agency meetings are currently being conducted virtually. This is being considered as an ongoing arrangement due to infection control requirements but also due to reducing travel across the county.
