(4) East Brighton Park – Amelie Byford-Winter

I've been going to East Brighton park all my life it is a really good park. I just think it needs more things in it like an outdoors gym and some more play equipment and a skate park because it is quite boring for kids and it would help more people come to East Brighton park and the beach down this end. It would also be great after covid! Could you please use the money you have for the park for more things for kids? I don't mind going door to door to see what people want if that would help?
