

WRITTEN QUESTIONS FROM MEMBERS OF THE PUBLIC

A period of not more than fifteen minutes shall be allowed for questions submitted by a member of the public who either lives or works in the area of the authority at each ordinary meeting of the Council.

Every question shall be put and answered without discussion, but the person to whom a question has been put may decline to answer. The person who asked the question may ask one relevant supplementary question, which shall be put and answered without discussion.

The following written question has been received from members of the public.

1. QUESTION From: Derek Wright

Will the council consider steam cleaning the 32 columns and 8 pillars of the Colonnade on Madeira Drive ready for when Soho house opens later this year just next door? I have a quote of £6,000 from the company that cleaned the Aquarium Terrace and balustrades for Soho House using the Doff cleaning method, which is designed to remove paint, biological matter and general dirt and grime without causing harm or shock to the substrate and also kills of any spores. With some imagination The Colonnade could easily become Brighton's version of Convent Garden Market.

Councillor Heley, Chair of the Environment, Transport & Sustainability Committee will reply.
