

Brighton & Hove City Council

Environment, Transport & Sustainability Committee

Agenda Item 66(b)

Subject: Written Questions

Date of meeting: 18 January 2022

A period of not more than fifteen minutes shall be allowed at each ordinary meeting for questions submitted by a member of the public.

The question will be answered without discussion. The person who asked the question may ask one relevant supplementary question, which shall be put and answered without discussion. The person to whom a question, or supplementary question, has been put may decline to answer it.

The following written questions have been received from members of the public:

(1) Anthony Pusey – Cycle Security

In November my wife and I securely locked our electric bikes - £2,500 each - to bike posts opposite the main toilets in Marine Drive in full view to passers by with 2 gold rated locks.

Unfortunately they were stolen. I think that most new cycle initiatives are useless if people are frightened to leave their bikes.

What can BHCC do to make our bikes more secure when locked up in public places?
