## Resident Question

<b>Title of Question</b>	Delays to Estate Development Budget work
<b>Issue:</b>	<p>It was confirmed at the last West Area Panel that any EDB jobs not completed in one year will be rolled-over into the next year. West Residents are concerned that this hasn't always been done in practice, and that some EDB jobs have been lost because of delays to work over a number of years.</p> <p>It was agreed that everyone will look at EDB bids for their area and report on outstanding items.</p> <p>In addition, the meeting asked for a report at the next Area Panel (December) on all outstanding bids for the West Area. This needs to go back for at least 5 years, to pick up on jobs that might have got lost in the past.</p>
<b>Background:</b>	
<b>Action requested by residents:</b>	Report for West Area Panel on all outstanding EDB bids from the last five years in the West area.

<b>Officer Response:</b>	We look forward to the residents reporting back on any outstanding EDB bids for the West Area at the Area Panel meeting. The EDB officers Keith Perry and Lucy Beasley are compiling a report that will be sent out for information as part of the Area Panel papers. This report will show the outstanding EDB jobs for the last 2 years. It will also give an outline of all the west bids,

	the value of the bid and an indication of when EDB jobs will be completed.
<b>Action:</b>	Quarterly reports on EDB to Area Panel
<b>Start date:</b>	December 2022
<b>End date:</b>	Ongoing
