Agenda Item 73(b)

Subject: Public Involvement – Written Questions

Date of meeting: 1 December 2022

WRITTEN QUESTIONS

A period of not more than fifteen minutes shall be allowed at each ordinary meeting for questions submitted by a member of the public.

The question will be answered without discussion. The person who asked the question may ask one relevant supplementary question, which shall be put and answered without discussion. The person to whom a question, or supplementary question, has been put may decline to answer it.

The following written questions have been received from members of the public:

1. Equality Data

Name: Mr D Harris

In July I asked "Following allegations of poor management in recent reviews left on the HR Website glassdoor, can you please provide the workforce equality data for managers within Housing in order to understand the full equality dynamics within the department?" Since then and only after chasing 3 times, I was provided with a response 3 months later, this included the entire directorate, which was not what I was asked. Why are officers obstructing my research into housing department equality by providing wrong information?
