City Council**

PLANNING COMMITTEE LIST

COUNCILLOR REPRESENTATION

**Cllr. Steph Powell  
BH2023/00981 – 20 Albion Hill**

**3<sup>rd</sup> May 2023:**

I'm guessing that this waiving of a condition on BH2020/01857 is about relaxing car access to the CPZ?

If that is the case (please confirm) then I want to put on record my objection to this planning application as ward councillor and would ask that you bring this application to committee where I can voice my case.
