

Brighton & Hove City Council

Culture, Heritage, Sport, Tourism & Economic Development Committee

Agenda Item 8 (b)

Subject: Member Questions

Date of meeting: 15.6.23

The question will be answered without discussion. The person who asked the question may ask one relevant supplementary question, which shall be put and answered without discussion. The person to whom a question, or supplementary question, has been put may decline to answer it.

The following written questions have been received from Members
This Committee:

1) Samer Bagaen – 5G Antenna

Westdene and Hove Park leaseholders at Park Lodge have again been subjected to a speculative application by the mobile operators to turn their homes into a giant 5G antenna. They feel let down by the Council's lack of technical and planning guidance to support the delivery of digital connectivity infrastructure.

Would the Council therefore commission and prepare as a matter of urgency city plan guidance, as the London Plan team at the GLA is currently doing, covering all stages of digital connectivity planning applications and provide clarity on locations, expectations and requirements.
