2.2 That the committee agrees to establish an Urgency Sub-Committee consisting of the Chair of the Committee and two other Members (nominated in accordance with the scheme for the allocation of seats for committees), to exercise its powers in relation to matters of urgency, on which it is necessary to make a decision before the next ordinary meeting of the Committee.

3. Context and background information

Urgency Sub-Committee

- 3.7 The Constitution states that each Committee of the Council except the Audit & Standards Committee may appoint an Urgency Sub-Committee to exercise its powers. The membership of such Urgency Sub-Committee shall consist of the Chair of the Committee, and two other Members nominated by the Group Leader or Leaders as appropriate to meet the requirements for the allocation of seats between political groups. Under current allocations this would mean an urgency sub-committee will consist of two Members from the Administration and one Member from the Official Opposition on the Council.
- 3.8 Such Urgency Sub-Committees may exercise their powers in relation to matters of urgency on which it is necessary to make a decision before the next ordinary meeting of the Committee. Every decision of each Urgency Sub-Committee shall be reported for information to the next ordinary meeting of the Committee as appropriate.

4. Analysis and consideration of alternative options

- 4.1 The council's constitution provides for the appointment of the sub-committees and urgency sub-committees and it is for the Committee to

determine this action and it could decide not to make such appointments. However, this would be contrary to the wishes of the council and is not therefore regarded as a viable alternative option.

5. Community engagement and consultation

- 5.1 All Members considered and approved the constitution and the changes therein at Annual Council in May 2023.

6. Conclusion

- 6.1 The recommendations are being put forward in line with the requirements of the constitution.
