A period of not more than fifteen minutes shall be allowed at each ordinary meeting for questions submitted by a member of the public who either lives or works in the area of the authority.

The question will be answered without discussion. The person who asked the question may ask one relevant supplementary question, which shall be put and answered without discussion. The person to whom a question, or supplementary question, has been put may decline to answer it.

The following written questions have been received from members of the public.

(a) Mr. Mark Lane

“The Cabinet Member for Environment may be aware of the trial of Binvelopes in Lincoln Street, Hanover since the Summer of last year. Could he confirm the level of ongoing support, information and encouragement given to all residents of the street, regarding how the Council would expect residents to use, clean and maintain their Binvelopes and the degree of enforcement of their use throughout that period?”
