

**BRIGHTON & HOVE CITY COUNCIL
ROAD TRAFFIC REGULATION ACT 1984**

NOTICE is hereby given that Brighton & Hove City Council (“the Council”) proposes to make the Orders named below under the relevant sections of the Road Traffic Regulation Act 1984, as amended, which if they come into force will introduce an extension to the existing Controlled Parking Zone J. The effects of the proposed Orders would be as follows:

**Brighton & Hove Various Controlled Parking Zones Consolidation Order 2008
Amendment Order No.* 20** (Area J extensions) TRO-10a-2014**

The Order will introduce kerbside parking restrictions for permit holders and visitors plus waiting and loading restrictions as described below in the roads or parts of roads identified (restrictions that already exist on the ground are included and will be amended where necessary to meet the requirements of the Controlled Parking Zone). These roads or parts of roads would be incorporated into the Brighton & Hove Various Controlled Parking Zones Consolidation Order 2008.

Permits, the cost of which will be £120 per year, will be available to residents upon application, subject to restrictions. Charges for permits are reviewed each financial year and all amounts shown in this notice are those which would be current from 1st April 2013. Disabled residents who have a Blue Badge and wish to park in permit parking places will be required to purchase a resident permit for an administrative charge of £10. A resident for these purposes would be a person aged 17 years or over whose usual place of residence is at premises the postal address of which is in one of the streets listed below:

Streets eligible for a Resident's Permit for Area J:

Beaconsfield Villas, Chester Terrace, Cleveland Road, Edburton Avenue, Havelock Road, Lucerne Road, Preston Drove (North side no.s 51 to 269 and South side no.s 74 to 148 inclusive), Southdown Road and Waldergrave Road.

The Order would also introduce to the areas visitor, business, school, carer and doctor permits all of which will be subject to restrictions. Briefly, in the case of visitor permits, applications will only be accepted from residents within the areas of the schemes, with a limit of 50 one day permits available in any 12 month period at a cost of £2.60 each. Businesses located within the scheme areas may apply for a maximum of 2 business permits if they can prove a genuine business need for the vehicle(s) to be parked on-street. Business permits will be subject to criteria determined by the Council with each permit costing £300 per year. School permits may be applied for by schools located within the scheme areas on the basis of 1 permit for each 6 members of the teaching staff (cost £120 per year). A carer permit can be applied for if a carer, who does not have to be a resident, has to visit a resident (or residents) within the area of the scheme and that resident is in need of a carer by virtue of age and or physical/mental infirmity or is a woman requiring ante or post natal care. The carer scheme is for non-professional carers. Doctor permits may be issued to any fully registered person operating from a surgery located within the area of one of the schemes where a doctor's parking bay has been provided (the current charge for each bay being £85 per year).

Please note generally that in respect of the issue of any of the types of permit referred to above, the Council will exercise its discretion to ensure as far as possible that any priority groups are issued with permits first but the Council cannot guarantee that everyone will be issued with a permit or that a parking space will be available.
