***60. HEALTH & SAFETY ANNUAL SERVICE PLAN 2009-10**

60.1 The Head of Environmental Health and Licensing introduced the report and addressed members' queries and comments.

60.2 The Chairman said he felt that it was a very important report, particularly given the nature of our local service economy; confidence in food safety standards was paramount.

60.3 A member asked about the regulations that covered food production. The Head of Environmental Health and Licensing explained that these were generally covered by a number of other inspectorates; however, Brighton and Hove City Council proactively worked with and advised local partnerships including the Local Food Partnership.

60.4 Members complimented the team on their 92% rating in businesses that were broadly compliant with food hygiene standards, and asked

about the 8% of food businesses that were not complying with the food hygiene standards. The Head of Environmental Health and Licensing explained that there had been a significant increase in food hygiene standards since the introduction of the Scores on the Doors scheme, and the department would focus its efforts on non-compliant businesses, carrying out spot checks, unannounced visits etc. Some of the businesses would close themselves, others might be closed, whilst others might be prosecuted.

- 60.5 **RESOLVED** – that the Committee commend and support the Scores on the Doors work, and that resources should continue to be provided to support the service and the materials that it produces.
