FOR GENERAL RELEASE**1. PURPOSE OF REPORT AND POLICY CONTEXT:**

- 1.1 The Council is required at, or as soon as practicable after, each Annual Meeting of the Council to review the allocation of seats to political groups.
- 1.2 The purpose of this report is to appoint and/or re-appoint the Committees, Sub-Committees, Forums and Panels of the Council and membership thereof.

2. RECOMMENDATIONS:

- 2.1 That the allocation of seats as detailed in the report and in appendix 1 (to be circulated separately) to the report be approved;
- 2.2 That the Council appoints/re-appoints its Committees with the sizes and allocation of seats between political groups as set out in Appendix 1 to the report (attached);
- 2.3 That having received nominations to the Committees from the 3 political groups, as detailed in Appendix 2 to the report, (to be circulated separately), such nominations be agreed and the committee places filled accordingly;
- 2.4 That having regard to 2.3 above, those Members listed as Chair, Deputy Chair and Opposition Spokesperson of the respective Committees and Sub-Committees in Appendix 2 (to be circulated separately) be appointed to those positions;
- 2.5 That having regard to 2.2 above, an urgency sub-committee for each Committee be appointed in accordance with Procedure Rule 22 (such committee being politically balanced but not included in the total number of seats for the purpose of allocating seats);
- 2.6 That having regard to 2.2. above, it be agreed that for the purpose of enabling meetings of the Personnel Appeals Panel to be convened without

disproportionate difficulty, the make-up of such panels need not be politically balanced, although every effort will be taken to achieve it and the Council further agrees:

- (i) Although the Panel has the Members referred to in Appendix 2 as its standing Members, the Council is asked to agree that, where any of the 3 Members is not available, any Member of the Council who has received appropriate training shall be eligible to sit on the Panel;
 - (ii) That the Head of Democratic Services be authorised to set up the Panel, as and when needed with the permanent Members or, where any of them is not available, by including any other eligible Member of the Council, having regard to the need, where possible, to secure cross party representation;
 - (iii) The above arrangements, and those set out in paragraph 2.5 above, are intended to operate as "alternative arrangements" for the pursuant to section 17 of the Local Government & Housing Act 1989 and Regulation 20 of the Local Government (Committees and Political Groups) Regulations 1990.
- 2.7 That the various Lead Members' roles and the designated Members listed against those roles as detailed in Appendix 3 to the report (to be circulated separately), be agreed; and
- 2.8 That Council appoints members/representatives to various bodies listed in Appendix 4.

3. CONTEXT / BACKGROUND INFORMATION

- 3.1 The political composition of the Council is Labour & Co-operative (23 Members), Conservative (20 Members) and Green (11 Members). Section 15(1) of the Local Government & Housing Act 1989 requires the Council to review the representation of the different political groups on committees and sub-committees:
- At, or as soon as practicable after, the Annual Meeting of the Council or,
 - Where notice is received of a change in the composition of political groups.
- 3.2 The Chief Executive is under a duty; whenever such a review takes place, to submit a report to the Council showing what allocation of seats would in his opinion best meet the requirements of Section 15 of the 1989 Act.
- 3.3 The Council's duty to determine the allocation of seats is prescribed by Section 15 of the Local Government & Housing Act 1989 (specifically sub-sections (3) to (5). These do not impose any specific requirement on the Council to consult the political groups as to which committee seats should be allocated to which group – this only applies to the actual appointment of Members to particular seats once they are allocated to political groups.
- 3.4 It is clearly preferable if all Groups have an agreed position as to which committee allocations are to be adjusted, provided that the agreed position does not conflict with the Council's duty, which is "to make **only** such determinations as give effect, so far as reasonably practicable, to the principles specified in sub-

section (5).”

3.4.1 In summary, these principles of determination (“principles”), are that:

- (a) All seats are not allocated to the same Group,
- (b) The majority of the seats go to the Group (if any) which has an overall majority on the Council (i.e. more than 27 seats),
- (c) Subject to the above two principles, that the number of seats on the total of all the committees/sub-committees allocated to each Group bears the same proportion to the proportion on the Full Council, and
- (d) Subject to (a) and (c), that the number of seats on each committee/sub-committee allocated to each Group bears the same proportion to the proportion on the Full Council.

Overall Political Group split on the Council

3.5 The political groups have the following seats on the Council:

<u>Party</u>	<u>Seats</u>	<u>Calculation</u>	<u>%</u>
Labour & Co-op	23	23/54	42.59
Conservative	20	20/54	37.03
Green	11	11/54	20.37
Total	54		99.99%

Committee Sizes

3.6 The total number of committee places used for the determination of the allocation of seats to the political groups is 108 as detailed in Appendix 1. (Note that the Political Balance Regulations do not apply to the Licensing Committee (2003 Act) and therefore only the 15 seats for the Licensing Committee are included in the 108 seats to be allocated).

3.7 The proposed allocation of places on each of the committees as detailed in Appendix 2 to the report takes into account the principles referred to in paragraph 3.4.1 in that:

- (a) The Labour & Co-operative Group’s overall allocation equals 46 seats,
- (b) The Conservative Group’s overall allocation equals 40 seats,
- (c) The Green Group’s overall allocation equals 22 seats.

3.8 In seeking to allocate the 108 available seats, 107 can be allocated across the various committees and across the 3 Political Groups proportionately. The initial allocation across all the committees results in the Labour & Co-operative Group being under allocated by 3 seats, with the Conservative Group holding two extra seats, and one seat not being allocated.

- 3.9 The Planning Committee has one seat not allocated across the 3 Groups and therefore it is proposed that the Labour & Co-operative Group are allocated this seat, to reduce their under allocation. The remaining two seats required by the Labour & Co-operative Group to fulfil their overall allocation are then taken up from the Conservative Group's initial allocation.
- 3.10 The Lead Member Roles listed in appendix 3 and the designated Member for each role is anticipated to be the spokesperson for that area on behalf of the Council and the Administration. This will be reviewed by the Chief Executive and Leader of the Council to determine whether they are sufficient or if there is a need to make any changes to the roles or designations.

4. ANALYSIS & CONSIDERATION OF ANY ALTERNATIVE OPTIONS

- 4.1 The proposed committee allocations have been raised with the respective Group Leaders and are in keeping with the Regulations governing the political balance of committees.

5. CONCLUSION

- 5.1 Having taken into consideration the number of committees and seats available for the distribution of places between the three Groups represented on the Council, the allocations proposed are considered to be the most appropriate.

6. CONSULTATION

- 6.1 The Leaders of the three political groups have been consulted on the proposed allocations and notification of nominations for committee membership and Lead Member roles will be provided after the respective Annual Group Meetings. Details of these nominations will be listed in appendices 2 and 3, which will be tabled at the Council meeting as part of the addendum papers.

7. FINANCIAL & OTHER IMPLICATIONS:

Financial Implications:

- 7.1 All associated costs for the payment of Members Allowances taking into account the changes in allocations remain within the Members Allowances Scheme and will be met from within existing resources.

Finance Officer Consulted: Peter Francis

Date: 03/05/2016

Legal Implications:

- 7.2 The proposals in this report comply with Section 15(1) of the Local Government & Housing Act 1989, which sets out the duty and principles regarding the allocation of seats to political groups.

Lawyer Consulted: Abraham Ghebre-Ghiorghis

Date: 03/05/2016

Equalities Implications:

- 7.3 There are no equalities implications arising from the report and the application of the regulations provide for the distribution of seats amongst the political groups on an equitable basis.

Sustainability Implications:

- 7.4 There are no sustainability issues arising from the report.

Risk and Opportunity Management Implications:

- 7.5 The allocation of seats across the various parties is required by statute and the failure to comply with the requirements could place the council at risk and subject to review from the Secretary of State.

Corporate / Citywide Implications:

- 7.6 The appointments process needs to be completed to enable the various decision making bodies to have their memberships confirmed so that meetings can then be called in accordance with regulations. The failure to appoint to the bodies would prevent decisions from being taken and therefore could result in the authority failing to undertake its duties and responsibilities.
