RECORD OF CABINET MEMBER KEY DECISION

DECISION-MAKER: COUNCILLOR GEOFFREY THEOBALD

PORTFOLIO AREA: ENVIRONMENT

SUBJECT: HIGHWAYS WINTER GRITTING
VEHICLE PROCUREMENT

AUTHOR: CHRISTINA LIASSIDES

THE DECISION

- (1) That the Cabinet Member gives approval for Brighton & Hove City Council to tender for the provision of replacement winter maintenance vehicles for the council's highway winter service in 2011/12.
- (2) That following a full tender process, either through EU procurement process or through existing national framework contracts, delegated authority be given to the Strategic Director, Place to award the contract(s).

REASON FOR THE DECISION

Brighton & Hove City Council will achieve significant service benefit from procuring new winter maintenance vehicles.

DETAILS OF ANY ALTERNATIVE OPTIONS

One alternative is not to procure any new vehicles but the old vehicles are outdated and costly to maintain. Their usable lifespan will be exceeded within another 2-3 years.

As part of the procurement process, the council will evaluate the different options of procuring the new winter maintenance vehicles; including outright purchase, contract hire with maintenance and contract hire without maintenance. This evaluation will be carried out as part of the tender assessments of the tenders submitted from approved suppliers. Contracts will be awarded to suppliers who can offer the best value to the council.
