**(i) Living Rent- Giuseppina Salamone**

*'At the March meeting of the Housing Committee, Councillor Randall said that the council would be carrying out Living Rent calculations on the new council housing being developed, and the Head of Housing Strategy and Development promised to report on this work at the June meeting. Councillors wished to find ways to offer new council housing at a Living Rent, rather than an unaffordable 80% of market rent. Do these models include the option to extend the repayment period on the building costs of new homes, so that rents can be lowered without increasing the subsidy required?'*
