17 th December 2015	Brighton & Hove City Council

**NOTICE OF MOTION

PAYBYPHONE PARKING SCHEME

This Council notes the recurrent criticism of the Council's PayByPhone Parking Scheme, most recently as "discrimination against older people and those without smart phones".

This Council notes the £8,439,569 income generated by on street parking charges in 2014/2015 and the £0.225m saving agreed at this year's Budget Council by reducing the need to maintain, replace and collect cash from coin operated Pay & Display machines.

This Council resolves to request that officers bring a report to the appropriate Committee which, if agreed, would seek to remove the mandatory 10 pence charge for 'pay by phone' parking where currently operational in Brighton and Hove, in light of the above savings generated by the replacement of coin operated machines and the related costs associated with their servicing and maintenance.
