FOR GENERAL RELEASE

1. SUMMARY AND POLICY CONTEXT:

- 1.1 The Care Quality Commission (CQC) is the independent regulator of health and adult social care services in England.
- 1.2 In May 2010 an inspection team from CQC visited Brighton & Hove to find out how well the Council was delivering social care. They focused their visit upon the level of choice and control for people with a learning disability and the safeguarding of adults whose circumstances made them vulnerable. In addition the inspectors also consider the Councils capacity for improvement by focusing upon leadership and the commissioning and use of resources.
- 1.3 Following their inspection the CQC published a report of their findings and they will be presenting this report to this CMM meeting.
- 1.4 The Council has developed an improvement plan in relation to the findings and this is submitted to CMM for approval.

2. RECOMMENDATIONS:

- (1) That CMM receive and discuss the CQC report with the Inspection team
- (2) That CMM approve the improvement plan in relation to the CQC findings.

3. RELEVANT BACKGROUND INFORMATION/CHRONOLOGY OF KEY EVENTS:

- 3.1 A copy of the full CQC report is attached and CMM will receive a presentation from the Inspection team at the meeting.
- 3.2 In summary the inspection found that the Council was performing well in relation to both safeguarding adults and promoting choice and control for people with a learning disability. The report also concluded that the capacity to improve in Brighton & Hove was promising.
- 3.3 On pages 5 to 8 the report summarises what Brighton & Hove is doing well and also recommends matters for improvement. There then follows a more detailed analysis of the findings of the inspection.
- 3.4 There is much to commend in the report and this is a credit to our staff and the quality of their work.
- 3.5 There are of course areas for improvement, which are in line with our own analysis of the local position. An improvement plan has been completed to respond to these matters and this is appended to this report
